MEDICAID SERVICES

- Medicaid recipients receiving federally supported financial assistance must receive at least these services:
- Inpatient hospital services
 - Outpatient hospital services
 - Rural health clinic services
 - Other laboratory and X-ray services
- Skilled nursing facility services and home health services for individuals 21 and older
 - Early and periodic screening, diagnosis, and treatment for individuals under 21
 - Family planning
 - Physician services.
- Federal financial participation is available to States either through Medicaid Programs based on medical services and/or by income-related services for medical but not for non-medical services. For the latter group, States may require certain services required for

¹Federal Medicaid Assistance Percentage (FMAP): Rate of Federal financial participation in a State's Medical Assistance Program under Title XIX of the Social Security Act.

²Categorically Needy: People receiving federally supported financial assistance.

³Medically Needy: People who are eligible for medical but not for financial assistance.

⁴American Samoa operates under a special Medicaid waived program.

⁵Arizona operates a medical assistance program under a Section 1115 Demonstration project.

The data shown were reported by individual states and compiled by the Office of Intergovernmental Affairs.
HCFA Pub. No. 02155-86

Basic Required Medicaid Services

- Skilled nursing facility services and home health services for individuals 21 and older
- Early and periodic screening, diagnosis, and treatment for individuals under 21
- Family planning
- Physician services.

Definitions and limitations on eligibility and services vary from State to State. Details are available from local welfare offices and State Medicaid agencies.

Services provided only under the Medicare buy-in or the screening and treatment program for individuals under 21 are not shown on this chart.

¹Federal Medicaid Assistance Percentage (FMAP): Rate of Federal financial participation in a State's Medical Assistance Program under Title XIX of the Social Security Act, Effective October 1, 1985-September 30, 1987 (Fiscal Years 1986 and 1987).

^aCategorically Needy: People receiving federally supported financial assistance

³Medically Needy: People who are eligible for medical but not for financial assistance

⁴American Samoa operates under a special Medicaid waived program.

Arizona operates a medical assistance program under a Section 1115 Demonstration project.

Medicaid Services

icipation is also
cting to expand their
y covering additional
cluding people eligible
r financial assistance.
ates may offer the
nancial assistance

recipients or may substitute a combination
of seven services.

Definitions and limitations on eligibility and
services vary from State to State. Details
are available from local welfare offices and
State Medicaid agencies.

Services provided only under the Medicare
buy-in or the screening and treatment pro-
gram for individuals under 21 are not shown
on this chart.
